**Independent Auditor's Report** 

To the Members of

**Evangelical Free Church of China Social Service Limited** 

(Incorporated in Hong Kong with limited liability by guarantee and not having a share capital))

## **Opinion**

I have audited the financial statement of **Evangelical Free Church of China Social Service Limited** (the Company) set out on pages 7 to 14, which comprise the statement of financial position as at 31 March 2023, the income statement for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

In my opinion, the financial statements of the Company are prepared, in all material respects, in accordance with the Hong Kong Small and Medium-Sized Entity Financial Reporting Standard ("SME-FRS") issued by the Hong Kong Institute of Certified Public Accountants ("HKICPA") and have been properly prepared in compliance with the Hong Kong Companies Ordinance.

#### **Basis for opinion**

I conducted my audit in accordance with Hong Kong Standards on Auditing ("HKSAs") and with reference to PN900 (Revised) "Audit of Financial Statements Prepared in Accordance with the Small and Medium-Sized Entity Financial Reporting Standard" issued by the HKICPA. My responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of my report. I am independent of the Company in accordance with the HKICPA's Code of Ethics for Professional Accountants (the "Code"), and I have fulfilled my other responsibilities in accordance with the Code.

I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my opinion.

#### Information other than the financial statements and auditor's report thereon

The directors are responsible for the other information. The other information comprises the information included in the Directors' Report set out on pages 1 to 2, but does not include the financial statements and my auditor's report thereon.

My opinion on the financial statements does not cover the other information and I do not express any form of assurance conclusion thereon.

In connection with my audit of the financial statements, my responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or my knowledge obtained in the audit or otherwise appears to be materially misstated.

If, based on the work I have performed, I conclude that there is a material misstatement of this other information, I am required to report that fact. I have nothing to report in this regard.

# Responsibilities of directors and those charged with governance for the financial statements

The directors are responsible for the preparation of the financial statements in accordance with the SME-FRS issued by the HKICPA and the Hong Kong Companies Ordinance, and for such internal control as the directors determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the directors either intend to liquidate the Company or to cease operations, or have no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Company's financial reporting process.

#### Auditor's responsibilities for the audit of the financial statements

My objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion. This report is made solely to you, as a body, in accordance with section 405 of the Hong Kong Companies Ordinance, and for no other purpose. I do not assume responsibility towards or accept liability to any other person for the contents of this report.

Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with HKSAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with HKSAs, I exercise professional judgment and maintain professional skepticism throughout the audit. I also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for my opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the executive committee members.
- Conclude on the appropriateness of the directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If I conclude that a material uncertainty exists, I am required to draw attention in my auditor's report.

I communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that I identify during my audit.

# Evangelical Free Church of China Social Service Limited (the Company)

Notes to the Financial Statements For the year ended 31 March 2023

#### 1 GENERAL INFORMATION

The Company was incorporated in Hong Kong on 12 August 2019 as a company limited by guarantee, having no share capital. Every member of the Company undertakes to contribute to the assets of the Company in the event of its being wound up such amount as may be required not exceeding ten Hong Kong dollars.

The principal activities of the Company are purely and exclusively charitable character for the purposes of social services, propagation and dissemination of the Gospel of Jesus Christ.

#### 2 BASIS OF PREPARATION AND ACCOUNTING POLICIES

The Company qualifies for the reporting exemption as a small guarantee company under section 359(1)(a) of the Hong Kong Companies Ordinance (Cap.622) and is therefore entitled to perpare and present its financial statements in accordance with the Small and Medium-sized Entity Financial Reporting Standare (SME-FRS) issued by the Hong Kong Institute of Certified Public Accountants.

These financial statements comply with the SME-FRS issued by the Hong Kong Institute of Certified Public Accountants and have been prepared and the requirements of the Hong Kong Companies Ordinance. They have been prepared under the accrual basis of accounting and on the basis that the Company is a going concern. The measurement basis adopted is the historical cost convention.

#### Summary of significant accounting policies

- (a) Revenue recognition
  - Revenue is recognized in surplus or deficit provided it is probable that the economic benefits will flow to the Company and the revenue and costs, if applicable, can be measured reliably, as follows:
- (i) Donations received and members' subscriptions are recognised on cash basis.
- (ii) Interest income is recognized on a time basis, by reference to the principal outstanding and at the interest rate applicable.
- (b) Property, plant and equipment Items of property, plant and equipment are measured at cost less accumulated depreciation and any accumulated impairment losses.

The cost of property, plant and equipment comprises the following:-

-the purchase price, including legal and brokerage fees, import duties and non-refundable purchase taxes, after deducting trade discounts and rebates;

-any costs directly attributable to bringing the asset to the location and condition necessary for them to be capable of operation in the manner intended by management;

-the initial estimate of the costs of dismantling and removing the item and restoring the site on which it is located, the obligation for which an entity incurs either when the item is acquired or as a consequence of having used the item during a particular period for purposes other than to produce inventories during that period.

Depreciation is charged so as to allocate the cost of assets less their residual values over their estimated useful lives. Low values tangible assets are written off in the year of purchase.

If there is an indication that there has been a significant change in the depreciation rate, useful life or residual value of an asset the depreciation of that asset is revised prospectively to reflect the new expectations.

An asset's carrying amount is written down immediately to its recoverable amount if the asset's carrying amount is greater than its estimated recoverable amount.

### (c) Account receivables

Account receivables are recognised initially at the transaction price. They are subsequently measured at amortised cost using the effective interest method, less provision for impairment. A provision for impairment of account receivables is established when there is objective evidence that the Company will not be able to collect all amounts due according to the original terms of the receivables

#### (d) Account payables

Account payables are recognized initially at the transaction price and subsequently measured at amortized cost using the effective interest method.

#### (e) Impairment of assets

At each balance sheet date, the Company reviews the carrying amounts of its assets to determine whether there is any indication that those assets have suffered an impairment loss. If any such indication exists, the recoverable amount of the asset is estimated, based on the higher of its net realizable value and value in use, in order to determine the extent of the impairment loss.

If the recoverable amount of an asset is estimated to be less than its carrying amount, the carrying amount of the asset is reduced to its recoverable amount. Impairment loss is recognized as an expense immediately.

Where an impairment loss subsequently reverses, the carrying amount of the asset is increased to the revised estimate of its recoverable amount provided that the increased carrying amount does not exceed the carrying amount that

would have been determined had no impairment loss been recognized for the asset in prior years. A reversal of an impairment loss is recognized as income immediately.

### (f) Provision

A provision is recognized when the Company has a present legal or constructive obligation as a result of past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation, and a reliable estimate of the amount of obligation can be made. Expenditure for which a provision has been recognized is charged against the related provision in the year in which the expenditure is incurred. Provision is reviewed at each balance sheet date and adjusted to reflect the current best estimate. Where the effect of the time value of money is material, the amount provided is the present value of the expenditure expected to be required to settle the obligation. Where the Company expects a provision to be reimbursed, the reimbursement is recognized as a separate asset but only when the reimbursement is virtually certain. Expense relating to a provision is presented net of the amount recognized for a reimbursement in the surplus or deficit.

#### (g) Cash and cash equivalents

Cash and cash equivalents comprise cash at bank and in hand, demand deposits with banks and other financial institutions, and short-term, highly liquid investments that are readily convertible into know amounts of cash and which are subject to an insignificant risk of changes in value. Bank overdrafts that are repayable on demand and form an integral part of the Company's cash management are also included as a component of cash and cash equivalents for the purpose of the cash flow statement.

#### (h) Related parties

A party is related to the Company if:-

- (i) directly, or indirectly through one or more intermediaries, the party:
  - (1) controls, is controlled by, or is under common control with, the Company;
  - (2) has an interest in the Company that gives it significant influence over the Company; or
  - (3) has joint control over the Company;
- (ii) the party is an associate of the Company;
- (iii) the party is a joint venture in which the Company is a venturer;
- (iv) the party is a member of the key management personnel of the Company or or its parent;
- (v) the party is a close member of the family of any individual referred to in (i) or (iv);
- (vi) the party is an entity that is controlled, jointly controlled or significantly influenced by, or for which significant voting power in such entity resides with, directly or indirectly, any individual referred to in (iv) or (v); or
- (vii) the party is a post-employment benefit plan for the benefit of employees of the Company, or of any entity that is a related party of the Company.
